# SOME OF NILS PROJECTS 2016-2017

## **iDrept**

We managed to negotiate with Wolters Kluwer Romania an accessible price for a legislative program which is currently used by over 50 law students .

## **Business Law Conference**

We were the organizers of the conference's tenth edition which took place in 2016, together with the Publishing house C.H.Beck, SCA Piperea & Associates and the Law Faculty of Bucharest University.

## **International workshops**

We already have planned a number of workshops that are going to have as speakers teachers from reputed overseas universities.

## **The College Project**

This year we are going to organize a series of projects directed at students who are enrolled in the French College.
