| **Application Process** | ✓ Once nominations are processed, Chandigarh University emails the International Mobility Coordinators an application form and documents that are filled out and submitted by the Applicants.  
✓ Applications are processed on a first come, first served basis. Applicants are encouraged to apply as early as possible.  
✓ In approximately 2-4 weeks, we hear from the partners who email us the offer letter and fact sheet.  
✓ From the numerous subjects offered, students choose subjects related to the ones that will be taught at CU in the respective semester. This learning agreement is then approved by their HODs and sent back to the partner university. |
| **Other information-** | Students book the accommodation before he/she travels for the program. We support hostel facilities on priority, if provided by the international universities. Otherwise, The partner universities generally provide various living options/recommendations to choose from. |
